

## **VISITOR AGREEMENT FORM UCSF ANIMAL FACILITY**

UCSF maintains the highest standards at its animal facility to protect the health of both animals and humans. Visits to the animal facilities are limited and strictly monitored to reduce the likelihood for contamination to the vivarium and to ensure the health and safety of all personnel and animals. Visitors are not permitted to enter and visit Animal Biosafety Level 2, Animal Biosafety Level 2+, and Animal Biosafety Level 3 facility.

To reduce the risk to visitors and animal colonies, all visitors must complete this "Visitor Agreement Form." A completed Visitor Agreement Form, Waiver/Hold Harmless Agreement, and appropriate documentation related to question 2 are required for entry.

---

Please answer the following questions so that approval for entry can be reviewed:

1. Name: \_\_\_\_\_

Affiliation/organization: \_\_\_\_\_

Date of Visit: \_\_\_\_\_

Location of Visit: \_\_\_\_\_

2. Do you understand that there may be health risks associated with exposure to animals? These risks may be more severe for individuals with allergies, asthma and/or immune compromise. If you have any questions regarding these potential risks, please contact the UCSF Public Health Officer at (415) 514 – 3531.

Yes \_\_\_\_\_

No \_\_\_\_\_

a. If you have health risks, you need to obtain approval from your health provider to enter this facility. You are also required to provide a copy of this documentation to UCSF.

\_\_\_ Attached

b. If visiting an area with nonhuman primates, you are required to provide documentation of a current Tuberculosis skin test result and proof of measles (rubeola) immunity to UCSF.

\_\_\_ Attached

3. Certain parasites or pathogens may be carried on clothing or shoes, or may be transferred from inanimate objects at other locations that have rodents. Have you been in an animal facility, have articles of clothing or attire that have been in an animal facility; or have any of your equipment been in an animal research facility within the last 72 hours before your visit is scheduled?

Yes \_\_\_\_\_

No \_\_\_\_\_

If yes, please explain: \_\_\_\_\_

4. Do you have any pet rodents at home, use rodents to feed other pets (snakes, reptiles, etc.), or have you handled or been near rodents of any kind in the past 72 hours?

Yes \_\_\_\_\_

No \_\_\_\_\_

If yes, please describe? \_\_\_\_\_

5. Only healthy, non-immunocompromised adults are permitted to enter and visit the animal facility. This is to ensure the safety of both the animals and the visitors. Given this, is there any additional information regarding possible health risks to the UCSF animal colonies or to yourself that you would like to discuss with occupational health?

Yes \_\_\_\_\_

No \_\_\_\_\_

If yes, please explain: \_\_\_\_\_

---

I acknowledge that all the above information is true and correct.

Please review and sign the attached waiver and hold harmless agreement.
